

## Winter event for registered IQOS CLUB members

The event runs from 15 January to 28 February 2021. During this period, the reward for successfully recommending an IQOS tobacco heating device to adult smokers has been increased to 1500 points for the wallet. However, the number of status points remains unchanged, i.e. 1000 status points for the IQOS CLUB account.

During the course of the event, limited-edition winter vouchers (IQOS ceramic jar, IQOS 3 DUO and ALZA voucher) are available in addition to the standard vouchers, which consumers can generate using points in their wallet. The limited-edition vouchers are available exclusively during the term of the event or while supplies last. To unlock the option for their purchase, it is necessary to recommend the IQOS tobacco heating device to an adult smoker during the event. Past successful recommendations to an adult smoker cannot be applied. After meeting the conditions, each consumer has the option of purchasing one of each limited-edition winter voucher.

If the voucher is used at [iqos.com](http://iqos.com), delivery is free. The vouchers are valid for one month from being generated (i.e. using points to "purchase" the voucher).
